

Fighting hunger in our community since 1983, the Vandalia Butler Food Pantry continues its mission to provide food assistance for over 1,000 families. With your help, we are able to assist over 1,900 adults and 1,200 children every year. We need your help this year as the COVID-19 pandemic has created a larger than normal need in our community for assistance.

Due to the strain created by COVID-19 restrictions on volunteer groups, we are unable to pick up or sort food donations. Though this 19th Annual Community Food Drive must look different, we continue to rely on your generosity to combat hunger in our community. The need is greater than ever!

Help us reach our goal of \$25,000, which is the amount needed to purchase the average 15,000 food items typically donated, before our deadline of Nov 22, 2021.

Donate using your mobile device—scan QR below

www.vbfoodpantry.com/make-a-donation

We have setup a secure online donation portal inside of our website.

Or mail a check to the Vandalia Butler Food Pantry @ PO Box 141, Vandalia, OH 45377

Or drop-off your envelope at Vandalia's Utility Drop-box or Butler Township's administration office window.
